Dear Friends, Family and Coworkers,

I am joining the fight against diabetes and raising money for Diabetes Canada. We are collecting pledges to go towards sending children with Type 1 Diabetes to D-camps, a summer camp designed specifically for kids with Type 1 Diabetes. Your donation helps us empower children to become more independent in managing their diabetes. All donations, large and small, are appreciated. 11 million Canadians currently have diabetes or prediabetes and 1 Canadian is diagnosed with diabetes every three minutes. THANK YOU for your support and kind donation.
